1. These are the petitions for quashing orders of issue of process. The 2 points argued are that there is no averment as required by the Judgment of the Apex Court. I have perused the complaint. It is mentioned in the complaint that the petitioners are looking after and involved and managing day to day affairs of the company. The 2nd contention is that the petitioners have resigned earlier. Reliance is sought to be placed on 32-F form. These

are the question of facts which will have to be considered at the stage of trial. Petitions are therefore, dismissed.
